This position requires the incumbent to exhibit the following behavioral competencies:

Problem Solving: Identifies and resolves problems in a timely manner; gathers and analyzes information skillfully; develops alternative solutions; works well in group problem solving situations; uses reason even when dealing with sensitive topics and/or irate customers.

Customer Service: Understands that all Authority employees have external and/or internal customers that they provide services and information to; honors all of the Authority's commitments to customers/residents by providing helpful, courteous, accessible, responsive, and knowledgeable customer service.

Interpersonal Skills: Focuses on solving conflict, not blaming; maintains confidentiality; listens to others without interrupting; establishes rapport when working with others.

Teamwork: Cooperates with others to accomplish common goals; works with employees within and across his/her department to achieve shared goals; treats others with dignity and respect and maintains friendly demeanor; values the contributions of others.

Results Orientation: Consistently delivers required agency results; sets and achieves achievable, consistently complies with quality standards, and meets deadlines; maintains focus on Agency goals.

Accountability: Accepts full responsibility for self and contribution as a team member; displays honesty and truthfulness; confronts problems quickly; displays a strong commitment to organizational success and inspires others to commit to goals; demonstrates a commitment to delivering on his/her public duty and presenting oneself as a credible representative of the Agency to maintain the public's trust.

Professionalism: Approaches others in a tactful manner; reacts well under pressure; treats others with respect and consideration regardless of their status or position; accepts responsibility for own actions.

Qualifications

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill, and /or ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Job Competencies

- Knowledge of HUD regulations, Authority policies, procedures, and practices as they pertain to PHA management.
- Knowledge of general office procedures and practices, business English and math.
- Ability to communicate clearly and concisely, orally and in writing.

EDINBURG HOUSING AUTHORITY

Serving Families Since 1949

- Ability to establish and maintain effective and courteous relationships with other employees and other business contacts.
- Above average analytical and reasoning abilities.
- Ability to coordinate several concurrent activities simultaneously.
- Strong interpersonal skills.

Education and/or Experience

Associates Degree in business or related field from an accredited college or a minimum five (5) years progressive experience in office management or as support to senior staff or an equivalent combination of education and experience.

Employee must possess a valid Texas driver's license or acquire one within the first 30 days of employment and be eligible for coverage under the Authority's fleet auto insurance.

Technical Skills

To perform this job successfully, an individual should have above average abilities using computer software such as MS Word, and Outlook, and capable of using internet resources for research and developing reports. Ability to learn other computer software programs as required by assigned tasks.

Physical Demands

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential function of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

While performing the duties of this job, the employee is regularly required to sit, stand, and walk. While the work is primarily sedentary, excessive walking, standing, bending, and carrying of items such as books, binders, files, and documents is required. The employee must occasionally lift and/or move up to 25 pounds. The noise level in the work environment is usually quiet.

Cross-Training

While employed with EHA, staff will be exposed to cross training. Cross training allows EHA to increase our resources and efficiency by:

- Helping employees acquire and enhance skills, knowledge, and abilities.
- Improving understanding of the different parts of departments and eventually of the organization as a whole.
- Leading to better coordination and teamwork.

Staff needs to have the ability and the willingness to be cross trained in different positions within EHA. This on-the-job cross-training allows the Agency to also provide staffing flexibility when an employee is absent for a planned vacation, emergency or after a position is vacated.
